SCHOLARSHIP INFORMATION

NCI offers two types of institute scholarships: the John D McCurdy Founder Scholarship and the Keith Svadba Memorial Scholarship. Both are available on an annual basis and are not need-based.

Three John D McCurdy Founder Scholarships, authorized for the Aviation Maintenance Technician (AMT 147) Program, may be awarded annually in the amount of \$1500.00 per scholarship. One (1) scholarship is dedicated to recent High School graduates or Escrow students entering the Aviation Maintenance Technician AMT 147 Program and two (2) scholarships are awarded to an active AMT 147 student. For students to qualify for a John D McCurdy Founder Scholarship, they must be enrolled full time and have a GPA of 2.5 or higher (High School or Escrow students need to have a 2.0 or higher GPA).

One Keith Svadba Memorial Scholarship may be awarded annually in the amount of \$500.00 per scholarship. This scholarship is authorized for the Aviation Maintenance Technician (AMT 147) Program NCI offers.

Qualified students may be awarded one scholarship in each category at the discretion of the NCI administration. Contact the Finance Department to obtain applications and to submit the completed application packets along with supplemental information. Scholarship application packets must be submitted between January 1 – June M # # ionM
